

PART.207 Moaning too loudly?!

YEAH,
LIKE IN
PORN!

Because their
apartment is
soundproofed,
she's never
thought
about it.

AL...
REALLY?

What's
indecent
about it?!

THAT CAN'T
BE... HAVE I
BECOME SO
INDECENT
RECENTLY?

The
next
day

CAN SHE
HEAR IT
WHEN I'M
ARGUING?

She's
visiting her
neighbor
Narumi-san.

WOULD
YOU LIKE
SOME
COOKIES?

YES,
PLEASE.

She's trying to suppress her voice on purpose.

NNN-!!

Though it's
not like she
usually gets
all that
excited
anyway...

THIS TIME
WASN'T AS
EXCITING AS
USUAL...
HOW COME?

She finally
decided
to ask
Eika-chan.

HMM
...

HAHA!
JUST MOAN
WHEN YOU
FEEL LIKE IT!

JUST
DO IT!

SHY?

AH!
AAAAH!!

She had
gone to the
bathroom.

TAKU...!

WHOOH!

AH... KIRI'S
WATCHING...

IT CAN'T BE!!
THEY'RE GONNA
DO IT WHILE I'M
HERE?

The man can tell how aroused the woman is from her moaning, and adapt the rhythm and intensity of his thrusting accordingly.

NO, I
SHOULDN'T
WATCH!

In effect,
the
woman's
nerves
subcon-
sciously
lead the
man.

Yeah, it's so
good

WATCHING
THEM TURNED
ME ON...

AH...
WAAH!!

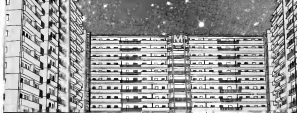

AH!

I'M CLIMMING!

Hyaa!!

EHM...

DON'T BE...

EHM...
IF YOU'RE
AFRAID THAT
THE NEIGHBORS
HEARD
ANYTHING...

'CAUSE OUR
APARTMENT
IS SOUND
PROOFED!

RATHER I'M
GLAD THAT I
CAN TELL
WHEN YOU'RE
FEELING
GOOD!

NO WAY!
NOT A
CHANCE!

AH...
DID I...

HUH?!

DON'T YOU THINK
IT'S INDICENT
WHEN I MOAN
SO LOUDLY?

IF YOU DON'T
MIND, I'D LIKE
TO MOAN
LOUDLY.

IT'S
OKAY!

...HURT YOUR
FEELINGS WHEN I
SAID IT SOUNDS
LIKE IN PORNS!

I'M
SORRY!

The more excited,
the louder the moaning?

Women hyperventilate
when they feel a certain
level of pleasure. They half-
open their mouths, and
their voices come out as
moans. But the volume
differs from moan to moan.

Problem
solved!

TEE
HEE!

HEHE!

LET'S!

THEN
LET'S DO
IT RIGHT
NOW!

Ah...
Uaah!!

CRAY!
SHE
WANTS
MORE!!

Aaah!!

Aaah!!

Yara-san
moans
slightly.

Uu~

Uu!!

As he
pulls out

...she
moans
quite
loudly.

Uaah!!

When he
thrusts hard
against the
wall of her
vagina...

...she
moans in
staccato.

Ah!

Ah!

Ah!

Ah!

Ah!

And as he
speeds up
his
thrusting...

The woman's moans will differ with different techniques.
The man should pay attention to the way she moans to tell
which techniques are giving her the most pleasure.

Her
loudest
moans
ever!

Aaaaaa
hhhhhh!!

Don't be
It gets
even
horrier
too!

So to any
women
who are
ashamed
of their
loud moaning

I LOVE
YOU
MARICOTTA-
SANE!
